Statements of Interest

Yoshitaka Kasugai, Evangelist Lead, Microsoft, Japan
My responsibility in Microsoft is the awareness campaign lead of Silverlight and IE9.

My interest is 1) How DRM implement in HTML5 2) Which CODEC is fit to Japan Market, H.264? Ogg? WebM?

Masao Goho, Program Manager, Microsoft, Japan
Breadth communication around Web technology, especially for Internet Explorer.

I'm interested in what are Japanese Maker and Service provider's wishes / requirements for Platform vender (such as Microsoft), and knowing kind of their pains to realize Web on TV more active.
Also I want to know what advantages are and benefit that device maker and content providers think.
